6. Concerns have been raised regarding the security and displaying of the entries. At no time is the building left unattended and unlocked. We have not had items stolen or lost. Volunteer Stewards are supervising the display during the Show, to ensure items are not touched and the layout has been changed slightly for easier supervision. More volunteers are always welcome. If you have any suggestions on ways we can improve the facilities, please put them in writing to the Chief Steward.
7. Up to **two (2) entries per person per class** are permissible. Entries entered into the wrong class may be transferred to an appropriate class at the discretion of the Chief Steward. **Entries cannot be entered into more than one class.**
8. Classes attracting less than three (3) nominations in the 2025 Show may be deleted from the following year's schedule at the Chief Steward's discretion.
9. A Novice class is available in some Sections for Entrants who have not won a prize in that section at a previous Townsville Show and have been learning for three (3) years or less.
10. The Stewards' Committee relies on the integrity of all entrants. Entries must be the entrant's own work, completed during the past 12 months. Items completed in a workshop are eligible providing that you have **done all the work yourself. Entries must look new, fresh, clean and tidy.**
11. A register of all work submitted will be kept to prevent any unpleasantness arising from suggestions of repeated entry of the same item in subsequent years. Work judged previously cannot be altered slightly and entered in future shows.
12. Entrants wishing to offer their works for sale may do so, with 10% commission being retained by the T.P.A. & I. Association.
13. The entrant's name is **NOT** to be displayed on the entry. **ENTRIES WILL BE DISQUALIFIED IF A NAME IS VISIBLE TO JUDGES.**
14. **Class tags** will be posted to Entrants. Class tags are to be attached securely; preferably to the lower front right hand corner of the entry. Safety pins are recommended, **NO** sticky tape, except for entries where pins cannot be used. Extra class tags are available for 'accessory items'.

15. All eligible entries will be judged. Bearing in mind safety concern, all entries will be displayed where space permits. Entry fees will not be refunded if entries are not displayed.
16. **Framed entries MUST be ready to hang.** If hanging facilities are not supplied, the item may not be displayed.
17. **Patchwork quilts require a hanging sleeve and Wall Hangings require a hanging sleeve and a rod** except for the UFO (Unfinished Object) class. If hanging facilities are not supplied, item may not be displayed. **Rod must be suitable to hold the weight of the wall hanging.** Rods must be labelled with a separate class tag (not named). If a temporary hanging pocket needs to be attached, please label (Temporary pocket) for judging purposes. If unable to supply rod, please contact Chief Steward prior to drop off.
18. **In Knitting and Crochet**, entries must have a sizeable yarn sample attached to the entry with a small safety pin. If washing is part of the technique of the item, please state so on the label.
19. **In Hand Coloured Fabrics**, a sample of original fabric before colouring **must be** attached, otherwise the item may be disqualified.
20. **For scrapbooking classes**, pages **must be** in sleeve protectors.
21. To add interest for the viewing public and for judging information, you may include a typed or printed statement to highlight extra techniques used e.g. any special features, hours taken, the number of pieces used, the story relating to entry.
22. With Age Related sections, the age limit is determined as at 31st May 2025. In children's Sections P & S, **age and school year level to be advised on entry form.** Children may enter a separate entry in the open sections, **however age and school level must not be displayed on the entry if entered in an Open section**
23. **A Special Needs Person** is anyone possessing a disability that creates a greater challenge to the making of his/her article. This may include a physical, visual, or intellectual disability. To aid judging, please indicate your special need on the Entry Form.
24. **The Aggregate Champion of Sewing and Crafts Award** is for **all local Entrants** only, in the open sections 1A to 1K inclusive and innovative class. To win, an entrant must gain the highest score above 20 points. Local Entrants are persons residing in the area south to Home Hill, west to Charters Towers, north to Ingham / Palm Island Group and Magnetic Island. **As the Novice and over 70 years classes are not open to all entrants these classes are not eligible in the Aggregate Champion Award.**
25. **The Supreme Exhibit of the Arts and Crafts** is judged from the Section Champion Pieces from all adult sections, across 1A to 1L inclusive.
26. **The Section Champions** are judged from the first prizes in the classes of that section. No Champion will be awarded if there are not entries in at least 3 classes of that Section, except for an outstanding piece of work. In Sections 1E, and Junior Sections 1P, 1S, one entry cannot win both champion prizes.
27. The judge's decision is final and no correspondence or discussions will be entered into. **Prizes will not be awarded if entries are of insufficient merit.**

TIPS & TRICKS

Please remember this is a community show, and we encourage everybody to enter. Do not be afraid, all entries are displayed and we love to see the huge range of crafts that come through our hall each year. We have a class for you including Novice for first timers. The feedback we receive each year highlights how inspired people are by the talents we have available to us here in our own community. We always need more volunteers to help run the Arts and Crafts and would love to hear from you if you can spare some time, details are on the back of your entry form. Come one, come all...

Read/Check the Conditions of Entry and Important Information pages:

Dates: Check and make note of the closing dates for nominations and the drop off day for your items – late entries/nominations will not be accepted.

Up to 2 entries per person per class

Your name is not to be visible on the item, this will result in disqualification. Pink tags received via mail need to be attached with a safety pin (tape appropriate for framed item) **PRIOR TO ARRIVAL AT THE HALL.**

Remember, your item will be on display, if it has a story or any special techniques, please attach these details to your item on drop off day.

Hanging items need to have appropriate hooks/poles to enable them to be displayed. Please note only wall hangings need to supply rods, however quilts will need to have a rod pocket to enable displaying. Any accessories need to be labelled as an accessory to the item it is displaying (no name).

Quilting – ensure that all binding is full and edges are neat. This is an area that judges pay particular attention to.

Uncompleted items excluding UFO Classes – will not be judged.

Crochet fine cotton now No 30 – 100

If entering a cushion cover please **do not** include an insert, limited space for displaying does not allow for cushions to have inserts in them

Fibres & Fabrics is a not for profit, member based organisation which promotes the use of fibres and textile in arts and crafts. We meet in a hall in the show grounds every Wednesday from 10am – 1 pm where members can work on their own projects. At 12 noon we have a brief meeting to discuss what's happening (within Fibres & Fabrics, and the wider arts community) and have a show and tell where we encourage members to bring along what they have made and talk about it.

Members work in a wide range of techniques

Patchwork and quilting, embroidery, felting, book making, basketry, tatting, knitting, crochet, spinning and weaving to name a few. We have regular workshops given by members who have a skill to share. And get involved in community art projects and make items for various community groups.

New members and visitors are most welcome.

During show time we are open from 9am – 5pm with a display of our work and demonstrations.
